Frequently Asked Questions

What do I need to bring to Photo Day?

Bring your completed order envelope with payment. Arrive fully uniformed and for a personal touch, bring your favorite glove or mitt.

We accept **CASH** and **CHECK** only. Change is not available, so please have exact change when paying with cash. **INCLUDE TAX** with your payment.

Do I have to write a separate check for each of my kids?

Yes. To ensure accuracy of payment, each order envelope should include its own payment.

I forgot my money and my check book. Can I pay later?

No. Be sure to tell your players and parents that all orders must include payment.

What is a Buddy photo?

A Buddy photo is an optional opportunity to take photos with friends, family, or anyone special. You may have a number of people in your Buddy photo. Buddy photos may be taken at any time without a photo appointment.

What is the difference between the two different envelopes?

The Buddy envelope packages do NOT include team photos. Buddy photos are photos of more than one person in the same shot and are ordered in addition to the player's individual portrait. The lower half of the Buddy envelope is clearly marked with **buddy buddy buddy** around the perimeter and has a tax table on the back.

How can I reorder photos?

Log onto www.shootingstarsphoto.com and enter the personalized player code enclosed with your finished photo products. Reorders are available within one year of your Photo Day.
