Hello:

I would like to personally invite the volunteer coaches and managers in your league to participate in a Coaching Clinic at Los Altos High School Gym on Monday and Tuesday evenings March 1st and 2nd.

My name is Al Price (Big Al). I am an international trainer, teacher, author and coach and have presented hands on training sessions to over 50,000 players and 120,000 coaches across NA...including over 7000 coaches in 2009. I have had the opportunity to work with 3 Major League Clubs and have authored training materials for over 1 million coaches, managers, players and their parents.

Once again Los Altos Hills Little League has stepped up to host the Clinic for leagues in the area:

Monday Night Session - Training for coaches of players 5-9 yrs

Tuesday Night Session - Hands on Training for coaches of players 9-13 yrs

The sessions are designed to help coaches teach the skills, correct common mistakes, plan and run active practices, leverage effective drills and fun competitions, and organize proper warmups and pre-game activities. My focus throughout the clinic is to help your coaches learn how to develop both the PLAYER and the PERSON during the season. The sessions are practical, hands on and will get you ready for a fantastic season.

If you are not able to attend but would like to order training resources individually or for your league please order them online at www.bigalbaseball.com/store.

Thank you very much for forwarding this invite to all of the coaches in your league! Look forward to meeting you and working with your coaches in early March.

Regards

Al Price (Big Al)

Feedback ...

"Dear Big Al, I have attended many clinics over the past seven years and yours was far and away the best. I implemented your approach for keeping the kids busy and involved during our first practice today. It was the best I ever had. Thanks!"
-Glen

"BIG AL - As a 1st time coach for my Sons T-ball team I found your clinic and "training package" priceless. I will be using your skills to teach our little ones to be good players and on and off the field. Thanks again!"
- Coach Aaron

"Al, I just want you to know how incredibly helpful the clinic was for me, a first time manager this season. You are a great teacher who taught me things I never knew about baseball - and I have been playing it for much of my life!!! I have told those who run my league that everyone who coaches should take this clinic! Big Al you made me see baseball in a whole new light! Thanks."
